

## Its Purpose - "To Alert America"

### WHAT IS THE CONGRESS OF FREEDOM, INC.?

It is a coalition of conservative Americans. Meeting in annual conventions, these men and women, members of local organizations, as well as individual citizens, present a cross section of conservative American political thinking. As many as 500 organizations have been represented in one convention.

### WHERE HAVE THESE ANNUAL CONVENTIONS BEEN HELD?

One was held in Chicago in 1952, two in Omaha, 1953 and '54, one in San Francisco in 1955, one in Dallas, 1956, and the 1957 convention will be held in Biloxi, Mississippi.

### WHERE ARE THE PERMANENT HEADQUARTERS?

The headquarters of the organization are in Omaha, Nebraska, at 1330 Turner Blvd. The Executive Director is George J. Thomas.

### WHO CAN BELONG TO THE CONGRESS OF FREEDOM AND HOW DO YOU APPLY?

Any conservative, loyal American citizen can belong, either as an individual or as a representative of an acceptable patriotic American organization. Membership is \$10.00 annually. Send to the executive offices for affiliation forms.

### WHAT DOES THE CONGRESS OF FREEDOM, INC., STAND FOR?

The convention held in Chicago in 1952 was largely a protest against the treatment of Robert A. Taft and the situation of denying the voters a choice of political leadership.

The two Omaha conventions brought together many of the great conservative political leaders of the nation. Ralph Gwynn, E. Merrill Root, Frank Holman, John U. Barr, Dr. Carl McIntire, Mary Cain, Dr. Anthony T. Bouscaren and many others. The following conventions have continued this same policy. The proceedings of the San Francisco convention have been made available in book form, named "The Truth About the United Nations," priced at \$3.00 and sold by the Executive Offices at Omaha.

In general, the same policies have continued throughout the life of the organization, such as: Insistence on the ADOPTION of the BRICKER AMENDMENT; that the U. S. GET OUT OF THE U.N. and the U.N. GET

## WHAT THE CONGRESS OF FREEDOM STANDS FOR, cont'd:

OUT OF THE U.S. THE REPEAL OF THE 16th (INCOME TAX) AMENDMENT. It endorses the adoption of the following amendments to the national Constitution: the 23rd (Government shall not engage in any business—); the BYRD-BRIDGES (to prevent spending beyond the nation's income); the REED-WALTER (three-fourths of the legislature of the States could amend the constitution and by-pass Congress)

It opposes Deficit Spending and Foreign Aid; Recommends a review of tax-exempt Foundations; strong measures to secure release of our soldiers held prisoners by the Red Chinese; severance of diplomatic relations with Russia; demands cancellation of the Status of Forces agreements; endorses Right to Work Laws, McCarren-Walter Immigration Act; it opposes the recognition of Red China, subsidies to private enterprise, aid to schools and Social Security. It insists upon the return of our soldiers abroad.

The Congress of Freedom has submitted a Resolution to the Congress of the United States asking that an examination be made by committee public hearings into the smear tactics followed by certain groups and organizations to discredit and paralyze prominent Americans and organizations responsible for Anti-Communist activities.

## WHAT ARE THE FUTURE PLANS OF THE CONGRESS OF FREEDOM, INC.?

It plans to hold future annual conventions as in the past. It plans on continuing the demand for the inquiry and investigation by Congress into the methods used and those responsible for the paralyzation of good patriotic Americans who have fought Communism and Communists here. It will continue to formulate issues and policies as in the past, that have been adopted as necessary for the future protection of a free America. It will continue to endeavor to alert our people, politically and economically.

## HOW IS THE CONGRESS OF FREEDOM, INC. SUPPORTED?

It depends upon contributions, largely. The membership fees provide only a small proportion of the necessary expense. The organization is not tax-exempt, because it desires to retain its complete freedom from government restraints. So far its voice has been completely free, and unafraid, although it has been discredited, maligned and "smeared," especially by the "anti-anti-communists." "BY ITS ENEMIES YOU MAY KNOW IT."

## WHAT ARE THE PUBLICATIONS OF THE CONGRESS OF FREEDOM?

It has the GREATER NEBRASKAN and FREEDOM FACTS. IT PUBLISHED THE BOOK, "THE TRUTH ABOUT THE UNITED NATIONS."
